

# *For students who need a different way to make it to graduation, there's Ashworth High School.*

The class ring symbolizes a vital accomplishment and the hope of things to come. But some students struggle to make the grade. They may miss or fail classes due to family and work obligations. Other students may want to graduate early ... take extra courses ... or simply catch up to their class. And summer school may not be an option.

Ashworth High School, one of the nation's leading distance education institutions, can keep students on track to achieve their goals. Students can choose from a wide selection of courses in English, Math, Science, Social Studies, Health and Foreign Language. Our **SACS accreditation** assures our objectives and curricula align with national standards.

## ***Ashworth High School gives every student a chance to succeed.***

- Self-paced online and correspondence courses available
- General Diploma and College Prep Diploma course options
- Qualified teachers and student advisors provide close guidance
- Competitively-priced tuition

Ashworth High School is the smart alternative. Share it with your students now. And they'll be wearing their rings sooner than you think.
