

The Only Solution to Blisters.

Prescribe new Compeed protective dressing. The only product your patients will need to heal and prevent blisters.

Revolutionary Compeed, the leading skin protector dressing in Europe, is now available in the U.S. Compeed not only creates the optimum healing environment for existing blisters, it actually prevents them from occurring. Originally tested under extreme conditions by the armed forces in Norway and Denmark, Compeed eliminates the need for other blister care remedies!

No other product does all that Compeed does:

- Seals out bacteria to prevent infection
- Hydrocolloid dressing enhances healing
- Virtually eliminates pain from existing blisters
- Remains soft and flexible
- Adheres like a second layer of skin
- Completely waterproof - stays in place for days
- Can prevent blisters from occurring

Prescribe Compeed with confidence.

- Ease of use increases patient compliance
- Consumer toll-free number
- Unconditional 30-Day Money Back Guarantee

When your patients get blisters or need a protective dressing, go with the proven leader. Prescribe and use Compeed. For product sample, literature and order information, call or write:
