There are affordable alternatives to struggling public high schools.

If you follow the news, you've likely heard that high schools in your area may lose their accreditation by SACS.

This means that educational standards are not being met and graduates may be denied entrance to college, financial aid, scholarships and opportunities for employment.

This Saturday, April 26, 2008!
Distance Education Panel Discussion
Sponsored by Ashworth High School

We will...

- Dispel myths about distance learning
- Show how parents fit into children's education
- Demonstrate advantages of distance learning

WHEN: Saturday, April 26, 2008 @ 11am & 3pm

WHERE: Southlake Mall, Morrow, GA

EVENT DETAILS: [click here](#) or call 877.94.ASHWORTH

Admission is free, seating is limited. Reserve now.

*"My son has learned and retained more with the online program because his learning was not just restricted to the 'ringing of the bell'. He's had a variety of assignments and the ability to do them whenever and wherever." - **Peggy B., mother of an Ashworth High School student***

Tens of thousands of smart people have graduated from Ashworth High School. We are part of Ashworth University, a leader in comprehensive online education. We are accredited by the Southern Association of Colleges and Schools, The Commission on International and Trans-Regional Accreditation and the Distance Education and Training Council.
