

When You're Ready To Leave The Cocoon, Call MK Construction Company

Sooner or later, successful companies grow out of their present location and demand more space. And sooner or later, it could happen to you. That's when you need a professional. A professional who can transform your firm and give it new life. Like MK Construction Company.

MK Construction Company has built over 30 million square feet of high quality office, industrial and distribution space in metro Atlanta. We've spread our wings to every quadrant of the city, but we're still locally owned after 30 years.

Our team of skilled experts coordinate their activities to save you time and money. We control

costs from concept to completion, through value engineering and construction management, to deliver the highest standards of workmanship you can find.

When it's time for you to take wing, flutter over to your phone and call MK. MK Construction Company. For a dramatic metamorphosis.
